pride of a country's history, besides her naval triumphs. National glory, we had been accustomed to conceive of as composed of other elements, besides mere Naval Power. But naval power, it seems that the authors of these works would have us believe, is at once *the* safety and *the* glory of a nation!

5.—*Youth's Own Book.—Character Essential to Success in Life. By Isaac Taylor, Minister of the Gospel at Ongar, Author of Advice to the Teens, Saturday Evening, &c. Hartford, Canfield & Robins.* 1835. *pp.* 133, 18 *mo.*

This is a re-print of an English edition of a most excellent work. The author, it is generally supposed, and generally admitted, is the author of Natural History of Enthusiasm, Natural History of Fanaticism, and Spiritual Despotism. His high reputation in this country will be sufficient to call public attention to any work announced with his name. We wish that such works might take the place of works whose tendency is to throw a false splendor over the passions. It would be much better to instruct youth in something that has a bearing on the sober realities of life. It would be much better to cultivate their *common sense.* This work should find admission to every family where there are youth; and is very suitable for Sunday School Libraries.
